Re: **Completeness Review of Part II Permit Application**
Proposed Harbert Tract Class II Landfill (IDL 36-0221)

Dear Mr. Holland,

In accordance with the Regulations Governing Solid Waste Processing and Disposal in Tennessee, Rule Chapter 1200-1-7, the Part II Permit Application for the above facility has been reviewed for completeness. Our review has determined that the submitted plans are complete in that each item required under subparagraph 1200-1-7-.02(2)(d) of the regulations has been addressed.

Further review will be conducted which may result in a request for additional information if necessary to clarify, modify, or supplement previously submitted material.

If you have any questions regarding this letter, please contact this office at (731) 512-1341.

Sincerely,

James (Pete) Kelly
Environmental Protection Specialist
Division of Solid Waste Management
